Notes:

We have been very pleased with our Night Watch daughters and their ability to raise calves. K6 looks to be on the same track, doing a hell of a job with her first calf. Sells with a very spunky 01/25 bull calf at side by Hill Lucky 14L, our very fancy red whiteface Bank On It son purchased from Hillstown Farms.

Notes:

5 year old fancy chrome colored Optimizer daughter we have retained daughters from. Due to calve any time by Hill Lucky 14L.

Notes:

1916 has been a staple in our growing simmental herd. Another attractive chromed up Optimizer daughter who's still got good years of production in the tank. Hard one to let go but like lot 9, fell out of our calving window. Exposed to Hill Lucky 14L 06/23 - 08/23
