

# GREENVILLE LIVESTOCK AUCTION INC.

## COVID UPDATE 9/1/20

Due to Region 4 Covid-19 restrictions changing daily, PLEASE call ahead at 618-664-1432 before attending our auction. The Region and County guidelines are changing daily.

**BUYERS- ACTIVE BUYERS ONLY!!!!** Please call ahead of sale day to get pre-registered. We are only allowed so many people in the building at a given time and want to accommodate all of you to the best of our ability.

**SELLERS-** Yes! We *completely understand* you want to watch your livestock sell..... All we ask is that you please step out once they have sold and pick up your check so we can keep room open for more buyers.

We **DO REQUIRE** you to wear a mask while in the facility. If you do not have one, please contact the office and one will be provided for you. We also are asking for only ONE person/representative from each family/farm attend.....this will ALSO leave room for more buyers.

We would like to take this time to THANK each and every one of our customers during these less than ideal times. If you ever have any questions, please contact us at any time at 618-664-1432 or one of our owners or representatives!

Sincerely,

Shaina & Mary
